

48 Hour Enrollment Process

Complete our [business profile](#) and submit to Vantiv.

Within 24 hours, a Vantiv representative will contact you to gather additional information and generate your processing application.

Fax your signed application and scanned voided business check to 866-484-8688. 48 Hour Enrollment Process

Once we received your completed application, we will run the required underwriting and QA tasks. When everything checks out, the configuration for your CaterTrax website can continue.
