

Hero Image Gallery

The variety of images within this document are available for the **hero** image located across the top of your homepage and can be repeated throughout the rest of your pages, if desired*. Please use this document to select the hero image that represents your brand and work with our Site Build Team to add the image to your CaterTrax Solution. Refer to our design document for dimensions if you would like to use your own image instead of the images CaterTrax provides.

Note: Your hero image will repeat on all interior pages, just the homepage, or not at all.
